About

We’d like to introduce you to Yachtzilla – Monsters of Soft Rock, a premium live entertainment experience that blends the smooth sophistication of yacht rock with a high-energy, crowd-pleasing performance designed for theaters, casinos, and performing arts venues.

This is not just a tribute—it’s a fully immersive show experience:
• Tight vocal harmonies and top-tier musicianship
• Engaging, themed performance style that enhances audience connection
• Proven ability to entertain both seated theater audiences and high-energy casino crowds
